Previous Release - March 2022

Subsets in Scope for the March Release

The summary of the scope of subsets maintained as part of the annual cycle is here.

The summary of the scope of the SNOMED CT subset release is here.

Changes to Note:

In this subset maintenance cycle, new provider role types have been included in the HealthCareProviderRoleType subset and three subsets have been retired and removed from the Terminology Gateway: InterventionCodeSubsetPreventEducateCounseling, InterventionCodeSubsetNonLaboratoryNonDigitalImagingDiagnosticTest and InterventionCodeSubsetAssessmentTool.

Forty one SNOMED CT subsets have been updated including VaccineAdministeredTradeNameCode, which includes a comprehensive set of COVID-19 vaccines. Three new subsets have been added: VisitModalityCode, RacializedGroupCode and IndigenousIdentityCode.
