

# Request or Renew TermWorks License

1. To request or renew access to **Apelon TermWorks** click on [your profile](#) (your login) on InfoCentral (figure 1).

Figure 1

2. Click the "InfoRMS & TermWorks" tab. (figure 2)

## InfoRMS & TermWorks

Please only request access to the tools that you require. You can return to request access as needed.

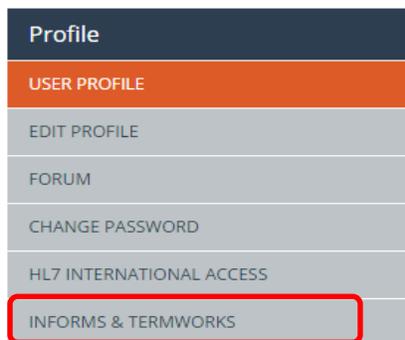

Figure 2

3. Click the "Termworks" box and click beside "New" for new access or click beside "Renewal" if your license is due to, or has expired, respond to the questions and click on Submit (figure 3).

TermWorks

An easy-to-use data mapping solution for mapping to International and Canadian SNOMED CT content. [more details >](#)

1. Is this a new request or are you renewing your access to use TermWorks?\*

- New  
 Renewal

2. Intended Use. Please describe the project and mapping requirements.\*

3. Local Terms. Please describe the source of your local terms (EMR, LIS, etc.).\*

4. Standard Terminology Supported

Please Note: TermWorks is limited to mapping with SNOMED CT. As more Terminologies are available, they will be added.

SNOMED CT

5. Please describe your requirements/project if they don't fit the above.
