

Manage HL7 Canada Affiliate Access - Organization account

Purpose

This page is intended to help the primary contact of an organization with HL7 Canada Affiliate access to manage the account.

Primary Contact Responsibilities

- Add and remove users to account
- Maintain account profile to accurately reflect the coordinates of organization
- Receive and follow-up on any communications regarding administration of the account, such as renewal, payment, etc.
- Request the transfer of the primary contact to someone else in the organization or a change to the organization name associated with your HL7 Canada Affiliate Access – Organization account.

For assistance, please contact infocentral@infoway-inforoute.ca

Adding Users to account

Only the primary contact can add users to an organization account. Users must be employed by your organization and they must already have an Infoway account before they can be added to the HL7 Canada Affiliate Access – Organization account. If the user does not have an account, please ask them to create an account by visiting InfoCentral at <https://infocentral.infoway-inforoute.ca> and click the Register link in the top right corner.

Users with Individual access cannot add additional users to their HL7 Canada Affiliate Access – Organization account. Please [contact us](#) if you wish to upgrade from Individual to Organization access.

1. Login to InfoCentral at <https://infocentral.infoway-inforoute.ca>
2. Click on your username in the top right section of page to access your profile
3. Select **HL7 Canada Affiliate Access** from the Profile menu on the left side.

The screenshot shows the 'HL7 Canada Affiliate Access' profile page. On the left is a navigation menu with options: Profile, USER PROFILE, EDIT PROFILE, FORUM, CHANGE PASSWORD, HL7 CANADA AFFILIATE ACCESS (highlighted), and INFORMS & TERMWORKS. Below the menu is a blue box with contact information. The main content area has the title 'HL7 Canada Affiliate Access' and lists requirements for access: all Canadian implementers incorporating HL7 materials in a product and participating in HL7 International workgroups and ballots. It also states that access is not required for viewing and/or downloading HL7 content from InfoCentral. A 'My Access' box shows details: HL7 Access Organization: Canada Health Infoway, Expiry Date: 2022-03-31, and Primary Contact: Imónico. At the top, there are navigation links and a search bar.

4. In the HL7 Canada Affiliate Access profile page, scroll down near the bottom of page to the **Add Additional Users** section.

Add additional Users

Please add the email address of a user at your organization who already has an Infoway account.

Enter in the email address of the user you wish to add and click the **Add secondary user** button.

If the person you added has an Infoway account and no HL7 Canada Affiliate access status, you will see their name appear on your account list immediately. The following message will also appear.

If the person you added does not have an Infoway account, you will be prompted with a message (see below) that asks you to contact the user to register for an Infoway account. Once they have done so, you can the user to your HL7 Canada Affiliate Access – Organization account.

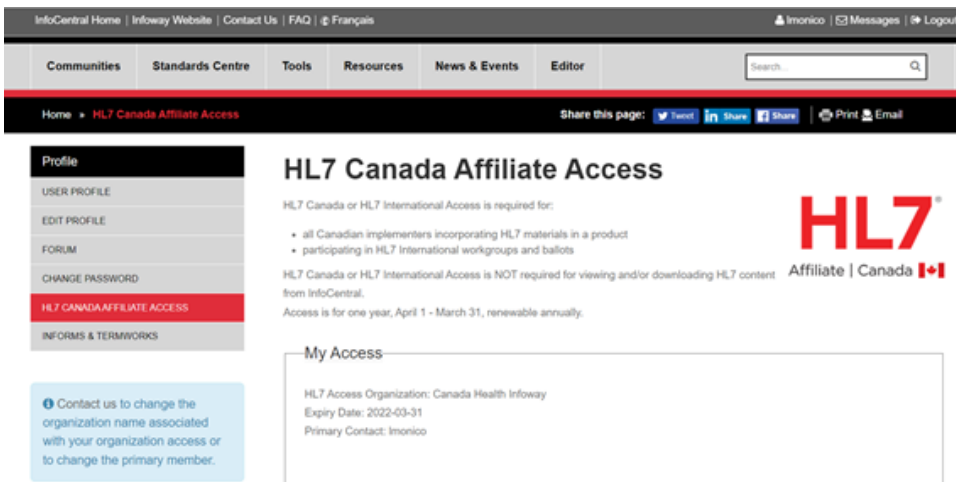

If the person you added already has HL7 Canada Affiliate access status, they cannot be added to your organization account. The following message will appear.

5. To add more users to the account, repeat step 5 above.

Removing Users from account

Only the primary contact can remove users from the HL7 Canada Affiliate Access – Organization account.

1. Login to InfoCentral at: <https://infocentral.infoway-inforoute.ca/>
2. Click on your username in the top right section of page to access your profile.
3. Select **HL7 Canada Affiliate Access** from the Profile menu on the left side.
