

Existing Implementations

The following organizations are known to have implemented the FEM solution outlined in this guide:

Implementing Organization	Notes
Southwestern Ontario Diagnostic Imaging Network (SWODIN)	SWODIN did a successful FEM pilot, however, they are now moving to a large regional PACS/DI-R for LHIN 1-2-3-4 that will eliminate the need for FEM
Hospital Diagnostic Imaging Repository Services (HDIRS)	
Northern and Eastern Ontario Diagnostic Imaging Network (NEODIN)	
Greater Toronto Area (GTA) West
