

20180419eg

Editorial Guideline Release Notes; Version 20180418

With this release an overall review and edit of the Editorial Guidelines was performed.

The following sections received minor edits:

- Scope
- Intended Use
- NTP General Page
- NTP Dose Form
- Therapeutic Moiety
- Special Groupings
- Appendix B, Status

The following sections received substantive changes:

- NTP Substance Strength Set: The Presentation Strength and Concentration Strength was augmented
- NTP Unit of Presentation: Edits made throughout the section to align with current agreed upon rules.
- Manufactured Product: Removed mention of the mapping file and general edits made.
- Appendix F, Waters of Hydration and Solvation - a brand new appendix added.
